# 2<sup>nd</sup> Year of the Happening “Silence for Peace”

*Prague, 11 February 2019*

A group of like-minded people are organising the 2<sup>nd</sup> Year of the Happening “Silence for Peace” which will take place from sunrise to sunset on 18 May 2019 in Prague’s náměstí Míru (Peace Square). The event has been announced to Prague City Hall as a “rally”. It will be a peaceful, calm, silent, creative, apolitical and non-commercial event, the purpose of which is to raise awareness of and discuss the central issue, to inspire and to experience with others a meditative, calm inner state leading to internal and external peace. To encourage a sense of personal responsibility for creating personal and global peace. To inspire people to search for peaceful options in all areas of human life. It follows up on the message of peace from the 1<sup>st</sup> Year of the Prague event which was held in 2018, and on the Silence for Peace events held in Gent, Belgium in 2017 and 2018, helping to link up with other peaceful gatherings supporting the concept of Peace in the essence of the word.
